

Dustin Raimondi

dustin.raimondi.rocks

Media Developer

raimondi1337@gmail.com

I am a recent graduate from Rochester Institute of Technology. I have experience with application development on web, mobile, Windows and Linux, and I have a strong sense for User Experience. My current strengths are NodeJS front-end frameworks such as React and Backbone, and data visualization. In my spare time I ride work on my motorcycle and travel.

Education

Rochester Institute of Technology - Rochester, NY

2011 - 2016

Bachelor of Science in New Media Interactive Development in the Golisano College of Computing and Information Sciences

Experience
